### Learning Disabilities

Doctors sometimes use the terms developmental delay and developmental disability to mean the same thing.

### Do children ever grow out of a learning disability?

From my exp, other institutes will tell you to clock your own practicum hours, but Cae has helped to place me in various organizations.

### ERIC

Kay Joined Jun 12, 2005 Posts: 66 a friend of mine taught himself to read at the age of 18.

### Smart Kids With Learning Disabilities

Special thanks to Melissa who has ensured that I had a smooth and pleasant experience during my studying period in CAE, very helpful! But most children can master basic skills in speaking, reading, writing, spelling, and math in the early grades of school or before. Some people with verbal learning disabilities may be able to read or write just fine but struggle with other aspects of language.

### Learning Disabilities

This has made it difficult for me to remember people's names, etc. Kids can outgrow or catch up from developmental delays.

### Learning Disabilities Facts and Myths

Help your child focus on their strengths and compensate for any weaknesses. For someone diagnosed with a learning disability, it can seem scary at first.
