## **[PDF] The biomechanics of twisting somersaults. Part III: Aerial twist.**

Remember also that the judges and other officials are of mixed nationality and therefore need to understand and be prepared for the dives they are judging. The announcer then reads them out. Over thirty chapters cover a broad spectrum of topics, ranging from muscle mechanics to injury prevention, and from aerial movement to wheelchair sport.

## **[PDF] Springboard S**

Turning upside down, flipping over, twisting and rolling is all part of the game. Part I: Rigid body motions. Standards have to be met regarding your stamina, fitness and strength, and all of these are assessed as you go along.

the country. Later graduating through the levels and feeling much pride.

### Springboard and Platform Diving

When there are queries or a dispute, then the Announcer calls over the Referee.

Following each of your dives the judges award their points. The Recorders will be discussed in another chapter.

### Spartan Diving Club

This shape is performed in all the diving groups. There are groups of scuba divers in the water.
