## Emotions and Disease: The Balance of Passions

Cleo Ray grew up dirt poor in a strict religious household, eager to leave that behind.

## Anatomy of the Passions

Greek has ψυχή psuke - soul, spirit - the modern word 'psyche' derives from this, and it was translated into Latin as 'anima' and πνεῦμα Pneuma - breath, wind, spirit, soul, and in Latin 'spiritus' means breath, spirit, and soul.

## Anatomy of the Passions

Moreover, Paxton overlooks the similarities between the fascist movements he describes and their historical contemporary, Marxism-Leninism.

## Anatomy of the Soul

It was sustained by food and drink, which was why the Egyptians left offerings of food and beer to the dead. The figure locates various faculties of the soul cogitation, memory, etc. The Fascist should then successfully exploit the disillusioned — including the traditional working class and intellectuals.

## The Anatomy of Fascism by Robert O. Paxton

Main Parts of the Brain and Their Functions At a high level, the brain can be divided into the cerebrum, brainstem and cerebellum. On top of this, due to the influence Chinese philosophy has had on Shintoism, it's not unusual for the soul to also be regarded as having Kon and Paku parts. Answering my own question, I guess it depends on the book and I should just go with my gut feeling.

## Robert Paxton's Interpretation of Fascism

Other Times, Other Places 8.
