Wales

Legislating for Wales by Westminster and Whitehall. The lawmaking power of the SP, although described as primary legislation, is not comparable with the Westminster Parliament's primary legislation; the SP is strictly limited to matters within the scope of its legislative competence, reflecting the concern of Westminster to retain its legal sovereignty. Devolution, law making and the constitution, chapter 4.

Past events

The prominent political scientist outlined how UK voters now face fundamentally different, and largely disconnected sets of political choices, and the implications of this for the future of Wales and the UK. At a certain level, federalism and devolution both concern the distribution of powers and functions between a national and a subnational layer of government, and so, in a practical sense, it is not surprising that there are many common issues to address. Also, as in Scotland, the cabinet style of government is formed following an election.

The Senedd and devolution in Wales: a bibliography

Today, on its fifth anniversary, Daniel Gover and Michael Kenny assess how EVEL has worked, during one of the most volatile political periods in living memory. It has become familiar to millions through a diverse publishing program that includes scholarly works in all academic disciplines, bibles, music, school and college textbooks, business books, dictionaries and reference books, and academic journals. Since devolution, the so-called Sewel convention has emerged, the idea behind it being to recognize that the Westminster Parliament retains given its legal sovereignty full legal power to legislate on devolved matters while also recognizing that the spirit of devolution implies that political power rests with the Scottish Parliament or the Northern Ireland Assembly.
