Discussion Questions What was your initial reaction to the video? Pre-mortem What things could possibly go wrong in these situations, and how could you prepare for the problems? These helpful teaching tips are written in plain, jargon-free English. The topic also lends itself well to debates on GM food, cloning and bioengineering. Then they move onto the next bad habit.

7 Free ESL Conversation Lesson Plans

This exercise is appropriate for intermediate- to advanced-level students.

The holiday maze

It learned to move its new prosthetic arm using just its brain signals meaning that it effectively has three independent arms. To talk about friendship, students are put into pairs for both the written and verbal components of this exercise. Download: This blog post is available as a convenient and portable PDF that you can take anywhere.

English Daily

Hill You have the world's premier ESL resource at your fingertips - Josef Essberger An article for anyone who has ever got tired of having a pair of scissors in their hands - Alex Case What can students and teachers do on the Internet? Divide the students into pairs A and B and give each student a corresponding worksheet. Overspending Another common bad habit is overspending, usually in the form of compulsive shopping. Thanks to the advent of push notifications, many of us are now trained to grab our phone the second it flashes — or when we only think it has.
