### Chapter 5

There must be the Spirit of God. And here, some of the Church Fathers, like St. I John, who also am your brother, and companion in tribulation, and in the kingdom and patience of Jesus Christ, was in the isle that is called Patmos, for the word of God, and for the testimony of Jesus Christ.

### Logos (Christianity)

On the other hand, God may be considered as a speaker only in consideration of His communication to another being, a creature. It is the recipient who knows grace, not the theologian who has studied it. ### What do John 1:1,14 mean when they declare that Jesus is the Word of God?

Any logos or meaning would have to be an abstraction in the understanding of human or angelic intellects, not a characteristic of divinity itself. They are always together in the very, so to speak, qualities, elements, realities of the very existence of God the Father himself, who is not God without them. Contact me: openbibleinfo at gmail.

### What Does the Bible Say About Jesus Christ Is The Word Of God?

To Him belong all things in the heavens and on earth.
