The Gambler AND Notes from Underground (in one volume) by Dostoyevsky, Fyodor

Karen's romance has taken a back seat to her fitness business.

Notes from Underground

The idea of cultural and legislative systems relying on this is what the protagonist despises.

Notes From the Underground and The Gambler by Dostoevsky, Fyodor

Most everyone who is familiar with classic literature knows something about the plot. My train of thought is derailed almost before it leaves the station and I am left to pick up the pieces and start over again. I can never quite get into the flow of Dostoyevsky.

The Gambler AND Notes from Underground (in one volume) by Dostoyevsky, Fyodor

This book has enabled many a feminism deconstructionist paper I am sure.

The Gambler by Fyodor Dostoevsky, First Edition

Mostly it seems to me to be pure masochism, mixed with desperation, a genuine desire to connect with someone, and immense vanity. Deep in the north, in the city of Invisil, she finds herself as the guest of Magnolia Reinhart. The faults of this book is in its sheer weight.
