NHS England » NHS Operational Planning and Contracting Guidance 2020/21

If you receive your UK State Pension as well as a pension from an EU member state, but are now living in a different EU state, the country to which you paid contributions toward your pension for the longest period becomes responsible for your healthcare. Patients had been given until 23 June to exercise their right not to have the details of their NHS care uplifted.

The system is web-based and you can access it from wherever you have an internet connection. The objective is to decide what processes to follow during cutover to ensure all data entered during the cutover is captured to enable re-entry into the new system. Healthcare if you have an exportable benefit If you've been living in an EU country, Norway, Iceland, Liechtenstein or Switzerland since before 1 January 2021, and you receive contribution-based Employment Support Allowance or some other exportable benefits, you may also be entitled to an S1 form.
