## Field Operations Handbook

If, on the other hand, the results of the confirming study indicate a problem, the WHI should conduct further time studies.

## Rehabilitation Counseling Graduate Program

In overtime workweeks, the WHD will enforce time and one-half the regular rate, which may be less than the section 6 a 1 minimum wage but could also be more than the section 6 a 1 minimum wage in an SCA case. The employer may use either a weighted or simple average so long as he or she is consistent.

## School of Physical Therapy & Rehabilitation Sciences

In some cases, older documentation may not reflect changes in the severity of the disability i. Rework is perhaps the simplest method of evaluating the performance of workers from both a quality and quantity standpoint. Occupational Therapy Choose the Occupational Therapy Major with a specialisation in rehabilitation for a highly-valued qualification.

## Rehabilitation Counseling and Disability Studies

In these instances, the enclave worksite employer does not have to obtain his or her own certificate. It is recommended that either three different standard setters be timed, or that the same standard setter be timed three different times and the results averaged.

## School of Physical Therapy & Rehabilitation Sciences

These employers may pay employees who have disabilities for the work being performed subminimum wages commensurate to the SCA wage rates established by section 4 c. The employer may obtain wage information from sources other than comparable businesses as long as the data obtained reflects non-entry-level wage rates. The IEP or IPE does not specifically limit the time spent by the participant at any one site, or in any clearly distinguishable job classification 6 While the existence of an employment relationship will not be determined exclusively on the basis of the number of hours spent in each activity, as a general rule, an employment relationship is presumed not to exist when each of the three components does not exceed the following limitations: a.
