Charters

Large multichange exchange areas Western Electric's interests outside the USA were taken over by International Telephone Corporation ITT. The Government authorised the Post Office to offer the public telephone as well as the telegraph service.

1605 to 1911

Membership was by profession or craft, and the primary function was to establish local control over that profession or.

United Kingdom: Is there Really an Anglo Model?

After a series of full scale experiments in which different automatic telephone systems had been tried including the Lorimer system in Hereford, Strowger system in Leeds, Western Electric rotary system at Darlington, Siemens system at Grimsby, and the relay system at Fleetwood , the Post Office decided to adopt the Strowger system as its standard. A Western Electric Company Rotary type automatic exchange was opened at Darlington for public service on 10th October.

City of London Corporation

Thomas Alva Edison 1847-1931 of Milan, Ohio, patented in America a carbon telephone transmitter invented the previous year - a great improvement on Bell's telephone transmitter which worked by means of magnetic current. Afghanistan gains independence from Britain 1919 - A flu-pandemic known as Spanish Flu rages around the world killing over 50 million people.

Huddersfield History

An agreement between the Postmaster-General and the National Telephone Company fixing the conditions for the transfer of the company's undertaking in 1912, was signed on 2 February and came into force on 1 September, having been ratified by the House of Commons on 9 August.

English Kings and Queens Timeline

Until about 2009, the monetary aspects of the plans for the development of the European Union EU seemed to be a major success--but not a sufficient success to persuade all members of the Union to become members of the ECB and adopt the euro, with the most notable standout being the United Kingdom. The Joint Electronic Research Committee JERC was formed to co-ordinate research and development on electronic charges.

Britain 1486

. In 1965 the creation of the Greater London Council, incorporating the London County Council area and parts of the Home Counties, merged Bermondsey and Southwark with Camberwell to form the London Borough of Southwark.

Britain 1486

Each would retain its own political identity, leadership and councillors but staff and budgets would be combined for cost savings. The Post Office had held a competition to decide on the voice to be recorded, and subscribers dialling TIM would hear the 'golden voice' of Miss Jane Cain, a London telephone operator, giving the Greenwich time correct to one-tenth of a second.
