Exceptions to this principle may be made only if they are to serve a legitimate State objective and are proportional to the achievement of that objective. Most of the extracellular enzymes of acidophilic bacteria and archaea are stable at acidic pH with a relatively high thermostability. March 20, 2001 The Carter Center would like to commend the Guyanese people for their conduct and participation in yesterday's elections and present this preliminary statement on the electoral process.

En español: La elección presidencial de 2012, en la que resultó vencedor Hugo Rafael Chávez Frías, reflejó y reafirmó la intensa confrontación política y polarización social a las que ya se han acostumbrado los venezolanos desde que Chávez fue elegido presidente en diciembre de 1998. March 2015 El Centro Carter ha iniciado una serie de informes mensuales especiales sobre el contexto político-electoral en Venezuela, para ayudar a los lectores interesados a seguir el actual proceso de elección de los nuevos rectores del Consejo Nacional Electoral CNE y los debates en el país sobre posibles reformas electorales antes de las elecciones legislativas que se espera sucedan a finales de 2015. States must avoid different standards of treatment with regard to citizens and non-citizens that might lead to racial segregation and the unequal enjoyment of economic, social and cultural rights.
