a book of drawings by ab by frost ab

Arthur Burdett , 1851-1928, illust. Frost illustrated over 90 books and produced hundreds of paintings; in addition to his work in illustrations, he is renowned for realistic hunting and shooting prints. It is not known why Frost also produced the painting in oil.

Rare A. B. Frost oil found — Christine Isabelle Oaklander

As such, his convincingly intimate renderings of rural life and authentic details of sport mostly hunting and fishing became another part of his legacy by the end of his long career.

A. B. Frost (1851

The woodblock, or multiple blocks, can be fit into the page along with the type, allowing text and illustrations to be printed in the same print run and share the same page not possible with engravings, which require thicker, damp paper and much more force; nor with lithographs, which require a different printing process altogether. If it is multi volume set, then it is only single volume, if you wish to order a specific or all the volumes you may contact us.

A B FROST The American Sportsman's Artist by Lanier, Henry Wysham

Frost Original prints, we do NOT sell modern reproductions The prints below are from Book of Drawings by A. Occasionally the text of a book will be put into a specialized book press and painted, often with a scene from the book or a landscape, so that the painting is invisible when the book is closed but visible when somebody bends the text and fans the pages—known as a fore-edge painting.
