## Legal Regime of the Sea

The special consideration for the interests and needs of developing countries is a constitutive element of the legal regime of the Area and can be regarded as an essential basis for their consent to be bound by the Montego Bay Convention and the 1994 Implementation Agreement. The applicant must demonstrate that it is financially and technically capable of fulfilling its obligations.

## Legal regime of the sea

The regulations specifically provide that if activities would have serious harmful effects on vulnerable marine ecosystems, including hydrothermal vents, seamounts and cold water corals, such activities are to be managed to prevent such effects or not authorized to proceed.

## The Interpretative Value of the Principle of the Common Heritage of Mankind and the Interests and Needs of Developing Countries in the United Nations Convention on the Law of the Sea
