Black Book Cherry

Becoming a combat medic, he goes to Iraq only to partake in huffing computer duster, abusing painkillers, and watching porn to pass the time.

Cherrybrook

Credit to the author for writing this in prison but it could do with a more coherent narrative and a lot more genuine emotion. It didn't hit the mark for me.

Cherry (novel)

There are moments that approach it, for sure, it just doesn't do it as well as *The Liar's Club*. As in life, most of these efforts prove fruitless and the cycle of addiction takes firm hold.

Cherrypickers' Guide to Rare Die Varieties of United States Coins, Volume 2: Half Dimes Throug Gold, Commemoratives, and Bullion Coinage: Bill Fivaz, J. T. Stanton, Ken Potter: 9780794832391: public-docs.talentcoach.ir: Books

Cherryh recalled that it was begging of a new dawn since a book she wrote had actually gotten a break through. Her language is frank without becoming clinical, and she captures the swooning tenderness of a kiss without sounding sentimental. . . firmly rooted though it is in a particular time and place, *Cherry*, like all serious autobiographies, is about something much more universal: the construction of a satisfying identity or, more precisely, the discovery of a fundamental self that was there all along.

Summary and reviews of Cherry by Nico Walker

The prose is stripped-down and laconic. *Cherry* lays that question to rest once and for all. . . His opioid use quickly becomes a devastating addiction that hurts his attempts at furthering his education and his personal relationships.
