Continued solid employment growth 1.

## UK decision to leave the EU

While the benefits from CETA are already evident, the agreement has only been in force since October 2017, and it can often take time for the gains from FTAs to accrue.

## The G20

This may be truer today than ever before.

## UK Overseas Trade Statistics

The confidence interval is a range within which the true value of a proportion lies with known probability. The volume of both the exports and the imports of the United Kingdom has grown steadily in
