Because they include revealing details about personal conduct, families, local conditions, and social, cultural, and religious practices, these epitaphs illustrate ways of thinking and the realities of daily life.

**The Concept of Ancestors and Ancestor Worship in Korea on JSTOR**

They are the testimony of faith, prayer, almsgiving, fasting during the month of Ramadan, and the pilgrimage to Mecca. An enormous variety of food and drink was included in the feast, ranging from common milk products, such as cheese and butter, to more unusual items made from hemp and poppy seeds.
