Ce bijou appartenait à Catherine de Médicis

It is impossible to establish the origin of the assault upon Coligny, but, as a member of the court—the royal family and the council—Catherine was among those who appear to have authorized not the massacre itself but the death of the admiral and his principal followers. En 1533, elle épouse Henri II, fils du Roi François Ier, en présence du pape Clément VI.

Catherine de Médicis

Following the wedding celebrations in August 1572, Huguenot leader Admiral Coligny was murdered.
