Error Accessing System Registry when installing Lotus 1

Please bear in mind that the use of the software might be restricted in terms of time or functionality. Old software like this has a good sort of simplicity.

Fantastic Lotus 1

It works great, and it's a wonderful example of a first generation Windows program that works well! It, however, seems to all boil down to what seems as the right fit for you rather than one spreadsheet software.

Error Accessing System Registry when installing Lotus 1

The software is licensed as trial.

will I still be able to use Lotus 1

Inasmuch as there are differences between how the two spread sheet software works, there is no doubt that the basic functionality of the two programs is the same, and thus it just boils down to preference.

Lotus SmartSuite 9.8 for Microsoft Windows

Text starts with a single quote, numeric values with a plus, and formulas with an character.
