But maybe the public pressure to get hitched hampered the relationship, which would be understandable. Kennedy did not run for re-election in 2010 and completed his final term in January 2011.

## Patrick McGinnis

She described Christmas 1984, when her father insisted on spending the night helping relief workers feed hungry people in the Ethiopian desert. He was a strong proponent of adding a comprehensive benefit to the and consistently opposed attempts to the Medicare program. As Patrick becomes comfortable with his sexuality and blossoming feelings for David, his romantic gestures, including monthly anniversary gifts and serenading David at the store's open mic night , are met with a mixed reaction from the ever-insecure David.
