**The Gates of the Alamo by Stephen Harrigan**

Did Davy Crockett Die in Battle at the Alamo? He made explicit what everyone already knew: there was little hope of surviving the onslaught of the 4,000-strong Mexican army which surrounded the fortress. The real Emily West is believed to have returned to New York in 1837.

**Remember the Alamo (song)**

Initially manned by about 100 volunteers, the mission's garrison grew as January passed. General Antonio Lopez de Santa Anna.

**Remember the Alamo (song)**

Then in 1835 Travis returned to Anahuac with a group of comrades and seized the town, helping to spark the current secession. He may or may not be a history geek.
