Waffen

It is the reward of an epic. Num Pages: 64 pages, 150 illustrations. .

EM6 Waffen

Waffen-SS winter combat clothing was developed independently for the army and resulted in a pullover fur-lined anorak. The Der Führer Regiment was reduced to 35 men out of the 2,000 that had started the campaign in June. Just be prepared for the possibility of not finding everything, or exactly what you're looking for.
