DE CARLE, D

Robert Winslow in video program No.

Identification & Dating

The boards are in good condition. A succession of Ball firms, eventually, marketed the last being, and other, non-railroad, watches over a period of about seventy to eighty years.

De Carle's Watch and Clock Encyclopedia, Donald de Carle, Hardback

That is what usually happened. A series of ads continuing the promotion of trading-in 18-size watches ran for several years: - the same ad as the April 15, 1917, but different journal, the head of, once posted on the NAWCC Message Board the pages of a booklet containing Safety Meeting notes of Ball and the Operating Officials and Watch Inspectors of the Union Pacific, June 21-22, 1916.

Watch & Clock Encyclopedia by De Carle, Donald

Includes terms pertaining to balance spring sizes, clock trains, dates in horology, watch trains, standard time zones, and many more, with valuable pairing black-and-white illustrations for context. There are activities for children and adults alike.

Watch and Clock Encyclopedia by De Carle, Donald: Very Good Hard Cover (1977)

The Watch Factories of America, Henry G. There is an that can be used to locate additional material on Webb C. There is also a small gift shop at the end of the tour.
