## Japanese Railway Society

Welcome to my Train and Railroad Photography website! All were delivered in dark green. You can buy all your tickets in advance online or as you go along, it's up to you .

## Railfans and Railfanning

In January 2014 the company announced it was to exit the rail freight transportation business, citing uncompetitive infrastructure access costs. Our camera network captures hundreds of trains per day from all over the world.

## Liveries and Paint schemes

A lot of other railfans helped me directly or not to improve those maps. Well, it has to be Raffles, hasn't it? It's fiddly to use and each train must be booked separately, which now means two separate bookings even for a simple JB to KL journey, but it does work - better in Firefox or Chrome than IE, it seems. In the photo above left, 'Gate A' is in the far background on the far right of the photo.

## EMD Class 66

There is no such thing as a Singapore to Bangkok ticket. On this site, you will see not only photographs of the real thing but also pictures from the model railroad hobby as well.

## Railfans: What Are Train Enthusiasts?

The North Coast of California is mostly vertical, very similar to Europe's lower Alpine area.

## In

I have a Curve Blue card myself - I get some commission if you sign up to Curve, but I'm recommending it here because it's great. In particular, noise levels including noise from the cab horn , vibration, and excessive cab-temperatures in hot weather have brought serious complaints. Our first

story is about.

These Komuter trains operate almost hourly between Butterworth, Alor Setar, Arau and Padang Besar, only key departures are shown here.  
Option 3: Buy tickets at - a bit fiddly. We are sorry for this situation and hope to restart the updates from Summer 2010.
