## The Strengths and Weaknesses of Dualism

Then it can be seen whether his contemporaries harmed him more, or whether he did the more harm to his contemporaries; in the latter case he was a great man. A rustling in the leaves drives him away.

## Urban Modernity and Fluctuating Time: “Catching the Tempo” of the 1920s City Symphony Films

In praxis, development plans following this line of thinking led to failures like the early Indian development planning. He then discusses responses to America's perceived moral inertia in naturalistic fiction by Wharton and Norris. Some of the contributors to the volumes on Contemporary British Philosophy and Contemporary American Philosophy gave detailed accounts of the influence by which their thought was moulded ; and some of them were rather biographical in character.

## Modernism Background

He chose haystacks because they could be shown as simply swathes of colour with no intricate details: something seemingly bland and uniform that would have little interest for art, but through effects of light would show innumerable shades of colour he similarly painted Waterloo Bridge and the Houses of Parliament.

## Urban Modernity and Fluctuating Time: “Catching the Tempo” of the 1920s City Symphony Films

Andrews had arranged to get them published by Messrs.
