## **Maminka's Children by Elizabeth Orton Jones**

Her father was violinist George Roberts Jones and her mother pianist and writer. Letter from Doris Patee, Jones' editor at Macmillan, accepting Jones' book Maminka's Children, July 6, 1939. I heard that it was a Christmas book but actually includes many stories from throughout the year.

## **Maminkas Children by Elizabeth Jones; Orton**

Each picture she drew was accompanied with text of their adventures. I enjoyed the joy and love Maminka and Old Grampa bestowed on the children and the love they had for each other.

## **Book Reviews, Sites, Romance, Fantasy, Fiction**

The dust jacket for hard covers may not be included. First published in 1940 and now reissued intact, this is a nostalgic tableau with a whiff of Poppy Seed Cakes--and the good brambory soup and almost kysely zeli only Old Horse eats the cabbages; there's even a plucked goose and a big feather bed.
