The Man Behind the Badge

These are all to be republished by Dean Street Press. So far, there have been at least four documented cases of COVID-19 reinfection, meaning an individual was infected with the virus, recovered and became infected again with the same virus.

A killer at 14, his case led to second chances for juvenile murderers. He may soon learn his fate.

BARBARA KABAN: How much time does it take for that kid who was dangerous at that moment in time to grow up? In the wake of various publishing houses recognizing the virtues of Golden Age and more recent vintage crime novels through reprint editions of both well-known and more obscure titles, Kate thought those of us who love those vintage mysteries would like the chance to feature the year's reprints and make a pitch for our favorites to be voted Reprint of the Year.

4 Reasons to Give Someone a Second Chance

You feel happier when you forgive someone else. NEWSCASTER: The effects of this new juvenile callousness is there for all to see in the national crime statistics.

COVID

CHRISTOPHER BROUSQUET: I am not the same person I was some 32 years ago when I committed this offense. Whereas, the opportunities and threats are generally related from external environment of organization.

4 Reasons to Give Someone a Second Chance

The woman said that, eventually, Benavides stopped talking to her about her drug case except to urge her to plead guilty. For additional guidance on such circumstances, refer to Insubordinate Employees May Deserve a Second Chance.

Texas Death Penalty: Case for a Second Chance

We loved the idea so much that we're going to do it again. One of the first cases to come along involves blackmail. From the level of the individual to the level of the society, forgiveness seems to make a difference in the preservation of harmony.
