## When do fish sleep?

How come birds don't tip over when they sleep on telephone wires? This was an incredibly annoying and unnecessary waste of time. General Thoughts: I enjoyed his other books better than this one but it was worth the read, taught me some things and ask good questions that sometimes we don't even think to ask. Spine still tight, in very good condition.

## When Do Fish Sleep? : An Imponderables'... book by David Feldman

If due to our error in description, return postage cost will also be paid.

### Feldman answers questions you didn't know you had

For the most part the writing was pretty much decent with the author providing a question in bold and then answering it. The listener has 10 seconds to decide which answer is the correct one. The books are effectively a list for people who wonder why and how the world works as it does.

### Imponderables (book series)

The only question left for you, Reader, is to ask how you can afford not to join the legions of by David Feldman Book 11 editions published between 1986 and 1997 in English and held by 484 WorldCat member libraries worldwide Why blank videocassettes slide out of the backs of their boxes, while prerecorded tapes fall out of the bottom? LibraryThing Review Nutzerbericht - ASBiskey - LibraryThing This is the third in the series that I have read, and the one that I am the least enthusiastic about. So he contacted two canine respiratory specialists. Once the young pigeons are old enough to fly down to the street, they are already full-size.

### Imponderables Books (Paperback): When Do Fish Sleep? (Paperback)

How come birds don't tip over when they sleep on telephone wires? Used items may not include supplementary materials such as CDs or access codes. . .

### **When do fish sleep?**

When it gets dark, they slow down and might appear to be sleeping. Clean, undamaged book with no damage to pages and minimal wear to the cover.

### **When Do Fish Sleep? : An Imponderables'... book by David Feldman**

And other imponderables of everyday life.

### **David Feldman**

Some are really good, and some are funny. Very few people for instance actually use the yellow pages any more for anything other than crafts or composting perhaps. How far could you actually get in digging a hole to China? We appreciate your patronage and wish you and your family all the best this holiday season.
