### Cremation Confusion

A larger container may be used, such as a.

### Burial

Human skeletal remains stained with were discovered in the Skhul cave at , Israel. This method aims to return the body to the earth in the most environmentally friendly way possible. The Cremated Will Be Raised In of Book I of The City of God , Augustine writes that in times of carnage, it may be impossible to bury the bodies of the faithful.

### Cremation and St. Augustine on Why Christians Bury Their Dead

In Tibet, deliberately encourage scavenging of human remains in the interest of returning them to nature, just as within , where burial and cremation were often seen as impure as human remains are polluted, while the earth and fire are sacred. Many of these family cemeteries were not documented and were therefore lost to time and abandon; their grave markers having long since been pilfered by vandals or covered by forest growth.

### Cremation and Other Modes of Sepulture (Classic Reprint) : Williams, R. E.: public-docs.talentcoach.ir.au: Books

In such cases, more than six feet may be dug, to provide the required depth of soil above the top coffin. Most of the body is during the cremation process, leaving only a few pounds of fragments.
