Axis Grand Strategy: Blueprints for the Total War by Ladislas Farago (Paperback, 2018) for sale online

Farago's reminiscence validates what most Hungarians believe: that Hungary is the center of the world and that everyone has some connection to the land of the Magyars. From 1942 to 1946 he served on the staff of the United States Office of Naval Intelligence as chief of research and planning. These plans were not secret; other nations simply refused to take them seriously.
