### CATHOLIC ENCYCLOPEDIA: Ite Missa Est

The Gospel is largely drawn from the Gospel of Matthew. Gradual and Alleluia Or Gradual and Tract, or Lesser and Greater Alleluias, and where applicable the Sequence.

### The word "Mass" and the meaning of "Ite, Missa est."

It is very easy to make these reflections a part of your day and strengthen your day. The Ite Missa est is consequently a sign of joy, and, as such, it is excluded from Requiem masses: a Song of joy would be out of keeping with a Mass breathing only sadness and supplication. This is given by the following guide, which is written with the Missa Cantata Sung Mass without deacon and subdeacon in mind, though it will equally apply to Solemn Mass Sung Mass with deacon and subdeacon : the only differences are that in some places below what the priest is referred to as doing may be done by the deacon or subdeacon.

### ite missa est

The idea is to sing this last versicle to the tone of the first Kyrie eleison, so that Mass ends with the same chant as that with which it began. In this case, the extra verses should be stopped finish the verse you are singing when the priest reaches the altar, and the Gloria Patri sung and Introit antiphon repeated.

### Ite, missa est

On certain days which have the character of fasting or penance, this versicle is replaced by the words Benedicamus Domino. When he has finished these prayers he will go to the middle of the altar as above to intone the Gloria. The real explanation seems to lie rather in interpreting correctly the word missa.

This feature of the app allows one to meditate on the day's reflection whether it's in the morning, during the day or at night. In a short time a man may fulfill many years; even those who come at the eleventh hour may finish their lives; even those who come to God like the thief at the last breath,

may finish their lives in the Kingdom of God.
