## Playing with Poetry: Creative Writing and Poetics

Seminar: Writing Creative Nonfiction  
 Prerequisite: permission of instructor.

**English**

Undergraduate seminar in the craft and techniques of creative writing designed to provide intensive study of current and traditional formal, stylistic, and technical issues and developments in poetry, fiction, and creative nonfiction.

## Playing with Poetry: Creative Writing and Poetics

If you want to write poetry for children, spend time around children, watch what they do and say, and start taking notes. Modern and Contemporary British Literature Corequisite: ENGL 105. I use the pictures and page numbers so they can make connections between themselves and their animals.

## Why Our Students Study Literature

These straightforward historical facts become freighted with human meaning when discussed in connection with the Pogis poem. The first-person narrator relates his activities in Auschwitz, including soccer games and work as a roofer.
