## Contested Borders: Cultural Translation and Queer Politics in Contemporary Francophone Writing from the Maghreb on JSTOR

Drawing on recent efforts to theorize the relationship between publics and queer counterpublics, I conclude that the translation of queer history into the language of public culture ideally entails a contestation of the very norms of presentation and consumption in which museums and other popular history narratives are currently embedded. IMPRINT Cambridge ; New York : Cambridge University Press, 1999.

## Introduction: What is Queer about Nostalgia?
