Transportation problems were not a special focus of the committee during the first phase because the mass transportation survey was not yet completed. Chairman, I will conclude my opening statements, but we do look forward to your testimony here today and to some of the difficult questions that we have to ask, but sincerely intended. This locks them into postures that prevent their using the programs in the most effective ways.

We hope that the Subcommittee will also recommend this amount in its submission to the Appropriations Committee by March 15 for funding in fiscal year 1986.

Housing Constructed Under VA and FHA Programs.

I read through this very quickly. These numbers illus- 15 trate that the government-sponsored enterprises disproportionately provide an outlet for the Memphis-based mortgage companies even though these companies provide relatively less service to the low- and moderate-income neighborhoods of our city. House Rules

And the cities that have had mixes have worked out much better than the cities that have consigned all public housing to the very poorest of the poor.

Edith Elmer Wood papers, 1900

Research indicates only 6% of high-cost loans—a proxy for subprime loans—had any connection to the law.
