So what to make of people who seek or avoid the praise of those who have no knowledge of where or who they are? Arethas' own copy has now vanished, but it is thought to be the likely ancestor of the surviving manuscripts. Denique vix attinet controversias concertationesque memorare, quas sodalitorum varietas, dissimilitudo statutorum, dispara studia, tam saepe genuerunt, quasque caussae manentes eaedem renovare easdem in singulos propemodum dies queant. Hoc ex capite vi et fecunditate hausta, ad fructus efferendos salutares et ad prisca franciscanum exempla renovanda valuerunt.

Felicitate

Quicumque ex hac die minoriticas vestes rite sumpserint: quicumque maiore minoreve ritu vota nuncupaverint, eos omnes sub Constitutionibus novas esse subiectos, officiisque universis, quae inde consequuntur, adstringi ius esto. Id Minores, etsi magnopere vellent, assequi tamen aut aegre aut nullo modo possunt, quia desideratur in eis conspirantium virium cumulata possessio. So always stay within your first impressions, and don't add to them in your head--this way nothing can happen to you.

Verumtamen Noster erga magnum Franciscum et erga res ab eo institutas singularis amor omnino quiddam adhuc postulabat: idque efficere Deo aspirante decrevimus. These writings take the form of quotations varying in length from one sentence to long paragraphs. Vix enim societas hominum est ulla, quae tot virtuti rigidos custodes eduxerit, vel tot nomini christiano praecones, Christo martyres, caelo cives ediderit: aut in qua tantus virorum proventus, qui iis artibus, quibus qui excellunt praestare ceteris iudicantur, rem christianam remque ipsam civilem illustrari, adiuverint.

It's been reported to you that someone is speaking badly about you. But I have seen the beauty of good, and the ugliness of evil, and have recognized that the wrongdoer has a nature related to my own—not of the same blood or birth, but the same mind, and possessing a share of the divine. The next thing to do--consider carefully the task at hand for what it is, while remembering that your purpose is to be a good human being.
