### Child Care and Development Fund (CCDF) Plan

At a minimum, describe what is provided e.

### Child Care and Development Fund Program Plans

Substantiated violations of licensed non-CCDF providers will be posted on the Sunshine Project website, which can be accessed through a link on the lead agencies consumer website.

### Child Care & Development Fund State Plans

The Lead Agency is committed to regularly review and update if needed its website in an effort to ensure it is consumer-friendly and integrated, where families can access complete information that also connects them to other early learning and family support services. This information is available online, over the phone, and at IDHS offices and service providers throughout the state. Sections dedicated to providers and to parents are clear and comprehensive including linkages to the required information, ensuring the information posted is always accurate and updated.

### Child Care & Development Fund State Plans

A mixed age group consisting of 1 up to 8 children under 12 years of age of which up to 5 children may be under 5 years of age of which up to 3 children may be under 24 months of age. Licensed providers who receive an ExceleRate Illinois rating at higher levels, receive a quality add-on of 10% or 15% depending on the rating received.

### Child Care and Development Fund State Plan

The type of information provided is determined by the Lead Agency, and it should help families easily understand whether a provider offers services that meet Lead Agency-specific best practices and standards or a nationally recognized, research-based set of criteria.

## **Child Care & Development Fund State Plans**

Emergency contact information must be posted and accessible to relevant staff if applicable.
