## Marxism and democracy : a symposium

First: Sunkara does not believe in anti-communism.

## Marxism, Revolution, and Democracy: 1848 and 1948: Introduction on JSTOR

As a result of these arrests, combined with the earlier arrest of Lenin and most of the other St. The first two decades of the 21st century have shown that global capitalism is incapable of emerging from the crisis it itself created particularly since the global financial meltdown of 2008. These can be divided into two broad categories: philosophical and sociological.

### Democracy and Socialism, the Two Edges of Marxism's Knife

Liberalism observed with horror that the actual course of world development ignored all its good advice.

### Democracy and Socialism, the Two Edges of Marxism's Knife

This being the case, we must also recognise the fact that in most countries on the Continent the lever of our revolution must be force; it is force to which we must some day appeal to erect the rule of labour.
