Before that date, Ptolemaic Alexandria had always been looked at as being an Egyptian city, representing ancient Pharaonic civilization.

## Mapping Alexandria's Royal Quarters

This translates into an area exceeding 8000 square feet and containing over 350,000 books on more than three miles of shelving. According to written sources, no fewer than 23 earthquakes struck the Egyptian coast between the years A. Also the Famous Writers Mural - 40 feet long by 18 feet high, the similarly sized Railway Mural and the Tennyson Installation.
