## Proverbs and Ancient Wisdom Literature

A recent analysis combining and radiocarbon dating supported the middle chronology as most likely. Isn't it like beating a dead horse? Ebla started as a small settlement in 3500 BCE and developed into a trading empire and later into an expansionist power that imposed its hegemony over much of northern and eastern Syria.

## Standard of Ur and other objects from the Royal Graves

By studying these inscriptions alongside the biblical text, Deuteronomy 28 and the Aramaic Curse Tradition increases our knowledge of the early history and function of the curses in Deuteronomy 28. It is virtually the same text, although the time span between the Ugaritic text and Isa 27 may be 1200 years Isa 24-27 reckoned by most scholars to belong to the latest stratum in the book of Isaiah, perhaps from the 2nd century BCE.

## Approaching ancient near eastern treaties, laws, and covenants.

The comparative study of ancient civilizations, however, teaches us that similar phenomena do not require explanations of monogenesis.
