### ALFRED NOBEL: A BIOGRAPHY

A Nobel Prize is one of the highest honors that an individual can receive. I am a misanthrope and yet utterly benevolent, have more than one screw loose, yet am a super idealist who digests philosophy more efficiently than food. Through his father, Alfred Nobel was a descendant of the Swedish scientist 1630—1702 , and in his turn the boy was interested in engineering, particularly explosives, learning the basic principles from his father at a young age.
