Abstracts are due by December 1st and we aim to get back to applicants by the middle of January.

Best Building complex of All Time

We start, thus, by recalling the fact that the literary making of the ancients developed its assumptions within a long tradition. The buildings are set in a Baroque park landscape in the 3rd district of the city, south-east of its centre. Its area is about thirteen and a half acres.

On the whole this diminution was progressive, though not in reality so steady as the decennial grouping makes it appear, being interrupted by smaller oscillations in single years and groups of years. This period of prosperity followed on from the commander-in-chief Prince Eugene of Savoy's successful conclusion of a series of wars against the Ottoman Empire.

His attention had at first been chiefly given to Athenaeus, whom he edited in 1827, and to the Greek dramatists, all of whom he edited separately

and combined in his *Poetae scenici Graeci* 1830 and later editions.
