O Sing Unto the Lord: A History of English Church Music

This authoritative and engaging history brings. Should popular music be allowed to influence church music? With hindsight, it becomes easy to see how developments in monastic plainsong gave way to the spark of the Reformation, or to imagine how adding flourishes to cathedral choirs led to further exploration in religious art.

Concordia Publishing House

If you would like to be a part of this dynamic ministry, please contact Sarah Geikas, Director of Parish Music, or simply come to one of the regular scheduled rehearsal times to join a group. We are not responsible for the practices employed by websites or services linked to or from the CPH Sites, including the information or content contained therein. One of the richest contributions to church music in America has undoubtedly come from the heritage of the African-Americans who came to America as slaves.

Music

Nothing survives of this repertoire, but the wealth of religious artefacts and objects from the period makes it clear that this was a sophisticated worshipping community which valued beauty in worship and had the skills to create it. You don't need to have much musical knowledge to An enjoyable history of English church music, replete with anecdotes and pithy quotations from composers. You don't need to have much musical knowledge to enjoy the book, though you will get added enjoyment if you do.

O Sing Unto the Lord: A History of English Church Music (Review Feature)

No method of transmission over the Internet or method of electronic storage, is 100% secure, however. The contributions of English Church Music to American worship are innumerable: Psalmody from the Pilgrims; Shape-note and Sacred Harp singing from the West Gallery tradition; Wesleyan hymns in camp meetings of Methodism; Moody and Sankey gospel hymnody through the Billy Graham Revivals; hymns, tunes, anthems, worship practices from Victorian England and the Oxford Movement in the last half of the 19th Century; English style of worship services duplicated in American churches, even bringing musicians from England to lead the process T. And while it mentions the popularity of hymn singing among the Welsh, the book sadly has little to say about their hymns either, and even less to say about American hymns relating to the English

church traditions that spread in North America.
