Beyond Culture by Edward T. Hall

Extension transference crops up again and again as a cause of cultural problems, intra and inter. What function does it serve? Humankind must now embark on the difficult journey beyond culture, to the discovery of a lost self a sense of perspective.

Beyond culture (1977 edition)

Later chapters discuss human and culture from different perspectives. We come away from it exhilarated.

Beyond Language, Beyond Culture

Boy, it's been more than 20 years since I read this, but his concepts stuck with me and come up in conversation every once in awhile.

Beyond culture (Book, 1976) [public-docs.talentcoach.ir]

The basic concept of the book is that like an iceberg and our minds , culture has a small visible portion and a much larger submerged portion we don't realize - concepts of time, respectfulness, personal s This book has been diluted by time - I imagine when it was published it was a bombshell, but so many ideas here have diffused out into our wider culture that it's sometimes amusing to read ideas here that have now become commonplace. When I bought Beyond Culture, I thought that this book is good to begin cross-cultural studying with.

Beyond Culture by Edward T. Hall

With so many cultures it's impossible to understand each other all the time. This is one of those books everyone who wants to understand society adn cultural differences ought to read. Our team of experts will support you in solving your professional setbacks to achieve confidence and thus shine in the global workplace.

Beyond Culture: Hall, Edward T.: 9780385124744: public-docs.talentcoach.ir: Books

I really love This book was great. This review has been hidden because it contains spoilers.

Beyond Language, Beyond Culture

Does it serve some unknown purpose? I would recommend Beyond Culture to anyone who already has studied cultures and intercultural communication, with a decent background in this area and wants to go even deeper. This discussion is scattered through the book, and the main idea of most chapters can be found on the last page. Beyond culture expressed everything that describes us.

Beyond culture (1976 edition)

The book was written some time ago and I feel that global cultures have changed and evolved since it was written but the examples show you the root of the cultures we see today.
