## What Will Happen to Earth in the Next Billion Years?

He has also explored the mathematics that could help explain how the. Galaxies, Structure and Evolution 2 ed. Non-Hispanic whites will remain the largest racial or ethnic group in the overall population but will become less than a majority, the projections show.

### The Next Million Years by Charles Galton Darwin

Soule added that even though science fiction isn't often right in the details, its influence is felt in many areas.

### 3 ways that the U.S. population will change over the next decade

Cứ suy diễn theo lý luận của ông thì chẳng bao lâu nữa dân châu Âu gốc sẽ bị thay thế bởi các chủng tộc m恁 đẽ khác nhập cư vào châu Âu với mục đích hướng Sách viết từ năm 1952, khá lâu rồi, nhưng những nhận xét chung về tương lai lâu dài của thế giới vốn không được lục quan lầm vẫn có thể được coi là hợp lý.

### The Next Million Years by Charles Galton Darwin

Already there are many who prefer this crowded life, but there are others who do not, and these will be gradually eliminated.

### The Next Million Years by Charles Galton Darwin

Obviously the most interesting, and unknowable, question is what will happen to humanity. Then I at once saw, that the ever present variability of all living things would furnish the material from which, by the mere weeding out of those less adapted to actual conditions, the fittest alone would continue the race. Various aspects of humanity are discussed in terms of survival.

### Timeline of the far future

Ten years from now, there will almost be as many old folks as there are young ones. China and India will still be bigger, but India with 1. Perhaps our rockets today are like those reed boats, capable of crossing great distances but not developed enough to allow for interplanetary civilization.
