Seattle : University of Washington Press MLA Citation Huang, Philip C. In its challenge to previous scholarship and the breadth of its approach, the book makes a major contribution to the study of Chinese political philosophy and intellectual history. Asia's part in the war and the part the war played in the collective development of Asia represent the first steps of the long journey to full national independence and international recognition.

**Pacific Crossings? American Progressivism and the Making of Journalism in China from the Late 19th Century to 1920s**

Levenson has interpreted them with real insight into the nature of Chinese civilization. .
