Popular culture in the United States developed a sort of fixation on eastern cultures in which many traditionally Indian styles became popularized. Woven paisley shawls were mainly worn by men for ceremonies.

**Paisley Park**

When I got the suit, the sticker that was stuck over the size on the bag said US14 UK11.

**Paisley, ON**

Overall though I highly recommend this suit and hopefully you will get the right one the first time. It confirms the importance of paisley prints in fashion in 2018. At this time, the Iranian nobility wore distinct uniforms called Khalaat, historically, the design was commonly found on the Khalaat uniforms.

**Paisley Park**

The weavers, especially in Paisley, had to listen to merchants who would advise them on possible new markets.

**Paisley, OR**

Printed paisley was cheaper than the costly woven paisley and this added to its popularity. Another informant stated that the place was named by Samuel G.

**Online Boutique in Mansfield TX**

However, enforcement near the end of that period was lax, and France had its own printed textile manufacturing industry in place as early as 1746 in some locales.
