Christian Education

Since Moses was in the royal household, he would have received a specialized education that was reserved for children of the nobility. No concept can be true that conflicts with the statements of the Scriptures. These two approaches above can only be really effective if our students have or are developing some understanding of the scope, content and context of the Bible- its different genres of literature and how it acts as the revelation of God, ourselves as His image, our cultural mandate, our fallen nature and the way of redemption provided in Christ.
