Remembering the Wereth Massacre

The beautiful full page and panoramic double page photographs presented in a unique format provide a voyage of discovery, illustrating the highlights of Belgium: prestigious urban centres, natural wonders and historic monuments.

Large selection of discounted hotels in all major destinations

It would come as no surprise if they were banned. We are a collective of beer enthusiasts, in Belgium and beyond, who decided to celebrate the most famous, most historic and most delicious and sophisticated beers in the world.

Namur & Liège — Discovering Belgium — Gerrit and the City

I find the biographies of the historical characters a very interesting way of learning.
