## Ford Cortina, 1962

Options included heater and bench seat with column gearchange. They were sold as L 1600, GL 2000, and Ghia V6 with four-door saloon or estate bodywork.

## Ford Cortina

In 1981 a version called the XR6 Interceptor was released as a homologation special made to compete in production car racing.

## Ford Cortina, 1962

Many parts were carried over, most notably the running gear. The final production model was the Crusader special edition which was available as a 1.

## Ford Cortina

Para calcular la clasificación global de estrellas y el desglose porcentual por estrella, no utilizamos un promedio simple.

## Ford Cortina

In left-hand drive markets, the 1600OHC was replaced by a twin-carb OHV Kent unit not offered in the home market, in order to distinguish it from the competing Taunus which only came with the OHC Pinto engine.

## Ford Cortina

The shorter engine required a radiator shroud to compensate. There was also the introduction of the 2000 cc engine, the engine, now known as the Pinto engine.

### **Ford Cortina, 1962**

A subsequent test on a warm day involving the four different Cortina models manufactured between 1964 and 1979 determined that the air delivery from the simple eyeball outlets on the 1964 Mark I Cortina was actually greater than that on the Mark II, the Mark III or the Mark IV.

### **Ford Cortina, 1962**

What engine is in Ford Cortina Mk I 1200? The Cortina, aimed at buyers of the and , was launched on 20 September 1962.
