That life is senseless and that no matter what you do you get your head cut off by some, but you might get some on the way out, so relax? He works as a traveling salesman in order to provide money for his sister and parents. He aids us to take a long and careful look at our bureaucracy and how will the future define its justice system. Discovering Gregor's new pastime, Grete decides to remove some of the furniture to give Gregor more space.

**Franz Kafka's The Trial**

I think that is an avenue where Kafka can shed some light.

The bank employees Frany and Willem arrest him and the bank employees are there with the official interviewing him.

**Franz Kafka's The Trial**

In 1989, Nina Pelikan Straus wrote a feminist interpretation of The Metamorphosis, bringing to the forefront the transformation of the main character Gregor's sister, Grete, and foregrounding the family and, particularly, younger sister's transformation in the story. The drawings are a mix of the detailed and unfinished not a reference to Kafka's work on the whole, haha. We will not remove any content for bad language alone, or for being critical of a book.
