Poems by Lu Yu (1125)

The American Journal of Poetry

Bird symbolism, for instance, was a striking feature in early shamanism, not least in its Siberian forms, which had a strong influence on Korean shamanism and, I believe, also on Japanese shamanism. Just then the An Lushan rebellion broke out December 755.

On Such a Night: A Consideration of the Antecedents of the Moon in Su Shih's Writings

How much brighter the moonlight is at home! How long has there been a moon in the blue sky? The beautiful dances are ended, The clear hanging jades silent. After having roamed up and down the rivers and lakes there for almost two years 768 —770 , he died of sickness on a boat in the winter of 770.

Ut pictura poesis: Keats, anamorphosis, and Taoism

If only my art might bring me fame And free my sick old age from office! The imperial city is filled with heroes, Who dispute the black and white of arguments. The volume clearly evokes the simple language of melancholy that bridges the gap in experience. The north has been recaptured! Lu wrote many poems about the countryside.
